

Station III Jesus falls for the first time

(Monday)

**We praise you O Christ and we bless you;
For by your holy cross you have redeemed the world.**

Psalm 22. 11-14.

We pray for those who feel they have fallen at the first fence;
for the seeds of Good News which fell in rocky ground.

We pray for those who work with the fallen.

We ask forgiveness for the times we have given up without really starting and find the eyes of Jesus meeting ours there.

Lord Jesus, give us grace to follow your steps and walk with you.
