

Station XIII Jesus is taken down from the cross.

(Thursday)

**We praise you O Christ and we bless you;
For by your holy cross you have redeemed the world.**

John 19. 38-39.

We pray for those who care for the dead.

We pray for those who look after the bereaved.

We ask for grace to remember the past and those who have passed as Jesus would wish us to.

Lord Jesus, give us grace to follow your steps and walk with you.
